

Getting Started with GiffordFamilyHistory.com

Purpose

This purpose of this project is to preserve, add to, and share artifacts, stories, and genealogies of our families. While the website bears the Gifford name, it includes many connected families. Here is the current top-10 list of people with these birth names:

1. Kuehn, 6% (40)
2. Zimmerman, 5% (34)
3. Sanken, 3% (24)
4. Kreie, 3% (23)
5. Gifford, 3% (21)
6. Walters, 2% (18)
7. Kodalen, 1% (13)
8. Kaake, 1% (11)
9. Gearhart, 1% (11)
10. Larson, 1% (10)

Did You Know?

Irma Kreie is the oldest person in our family to have lived: 103 years, 9 months

Gifford and Cooley families have an ancestor, George Soule Sr, who was on the Mayflower

John and Kathy Sanken are the couple with the smallest age difference (28 days)

There are at least two times a brother and sister from one family married a sister and brother, respectively, of another family

Important Next Steps

Explore the site. See *Getting Started* and *Tips* below.

Send updates. Is there a new baby? A marriage? A graduation? A baptism? A death? Send updates to admin@giffordfamilyhistory.com

Contribute your pictures and artifacts. Send them to admin@giffordfamilyhistory.com.

Share with your families to help keep the memories alive.

Acknowledgements

Many of the people- and events-related details were drawn from *Kuehn Family History, Edition 2* (by Edward A. Walters, Irma Kreie, Robert Kreie, Konnie Rickert Brunberg) and *Cooley and Gifford History v5* (by Todd Cooley). Where applicable, links to these sources are embedded in the family tree. Visit the [Sources](#) page to browse these and other collections, where additional stories and letters can be found.

Technical Details

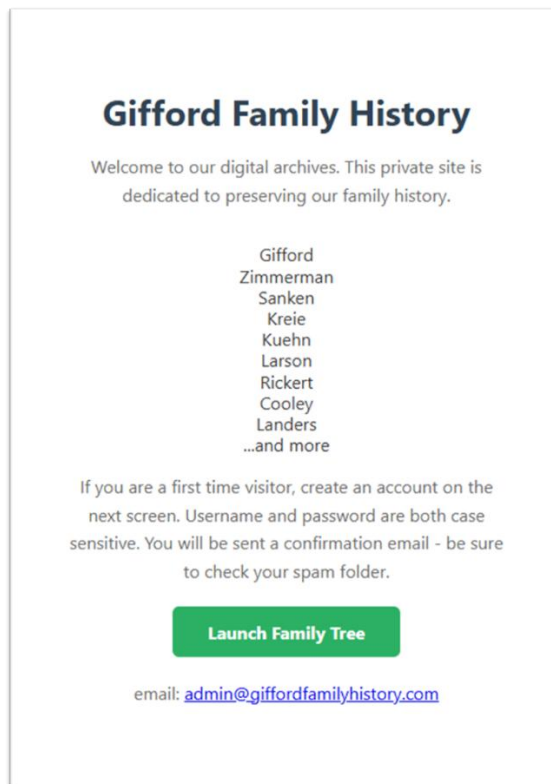

GiffordFamilyHistory.com is a self-hosted private instance of [Gramps Web](#), an open-source genealogy platform that resides on a portable solid-state removable drive. The current custodian-administrator is John Gifford. If you are interested in becoming an administrator, please email admin@giffordfamilyhistory.com.

Getting Started

One-time registration is required because this member-only site contains identifying information (e.g., birthdates), photos, and other notes that may not be intended for the general public. You must be a member of the family to join.

The site works on any browser. The best experience will be on a larger screen such as a desktop computer, laptop, or tablet.

The Home Page

The home page and areas of interest. See the description of red numbered items below.

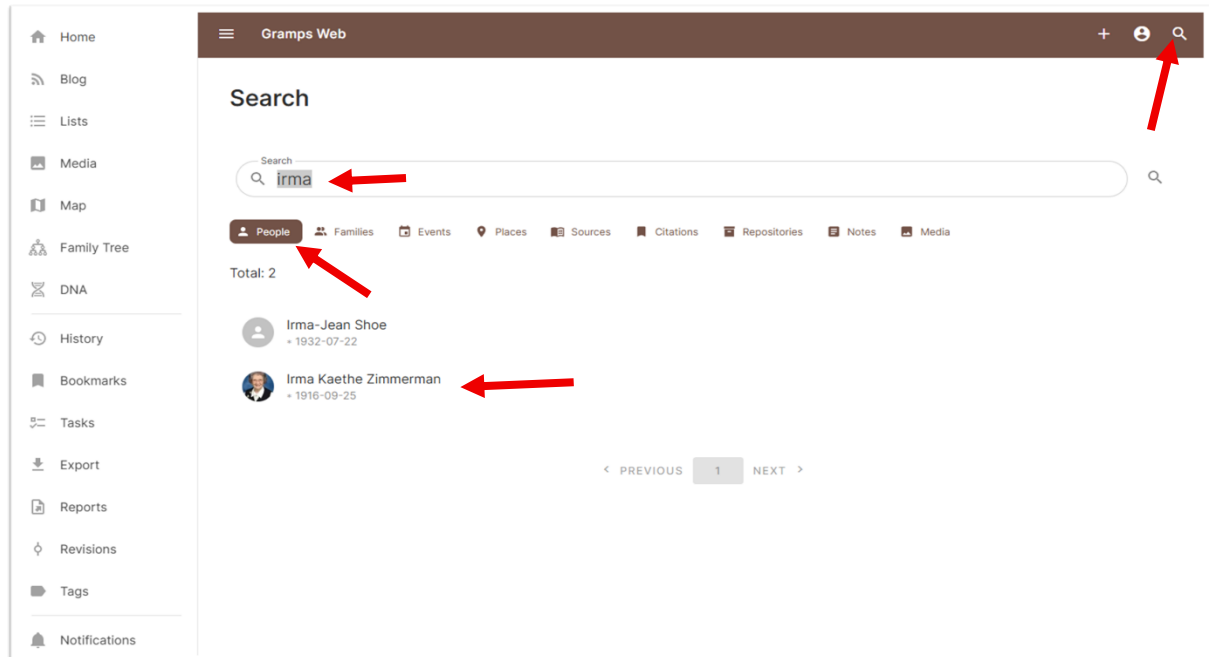

The screenshot shows the Gramps Web interface. On the left is a sidebar with navigation links: Home, Blog, Lists (1), Media (2), Map, Family Tree (3), DNA, History, Bookmarks, Tasks, Export, Reports, Revisions, Tags, and Notifications. The main content area is titled 'Gramps Web' and features several sections: 'Home Person' (5) showing John Hadley Gifford, 'Anniversaries' (6) listing birth and death events, and 'Recently changed objects' (7) showing recent updates. On the right, there is a 'Latest Blog Post' section with a 'Welcome' post and a 'Statistics' table.

Number of people	656
Number of families	242
Number of events	853
Number of places	42
Number of sources	8
Number of citations	43
Number of repositories	1
Number of notes	97
Number of media	39

1. **Lists** – Explore and search for people, families, events, sources, places, and more.
2. **Media** – Browse photos, books, and other artifacts. Click on an image to learn more.
3. **Family tree** – Browse the family tree
4. **Global search** – Search for anything. Tip: when searching for part of a name, use a wildcard. For example “Zim” would not yield any results, but “Zim*” would show all the Zimmerman families, events, people, etc.
5. **Home Person** – The Family tree (#3 above) will “start” with the named home person.
6. **Anniversaries** – See if it is anyone’s birthday or anniversary.
7. **Recently changed objects** – Check here for the latest updates

Exploring (Example)

From the home page, click on the magnifying glass in the upper right. Type “Irma” in the search box, then click “people” to filter by people. Then click on Irma Kaethe Zimmerman.

Irma's details are displayed.

View different forms of the tree. In this case, the *Relationship Graph* is featured:

1. **Trees, Graphs, and Charts** – Select the tree or chart view.

2. **Options**

Person Details – Click on a name in the chart, then click the view person icon to show the details for that person

Preferences – Click to change options for that tree, graph, or chart. For example increase/decrease the number of generations displayed.
